HOW TO SUBMIT A WEBSITE CHANGE REQUEST

What is your request?

To change, add, or delete:
Text, a design element, a photo, navigation item, or a page on EP’s website. Or if you’d like to promote something generally on EP’s website.

Send e-mail to ep-marketing@jhu.edu.

Something else.
(Examples: to create a video, update a database, or request a revision in the catalog.)

Send request to the appropriate person (not marketing).

Maureen will get back to you within two business days to let you know that we received your request, ask any follow-up questions she might have, and also set a tentative date for completion of the project. If Maureen is out, Alyssa will get back to you.
