

How to Run an Alternative Degree Audit

Accessing Degree Audit

Setting an Academic Goal:

- 1) Start by adding an academic goal:

The screenshot shows the Advisor degree audit system interface. At the top, there is a navigation bar with "Home" and "Course History" links, and a user profile "gbulkie1". Below the navigation bar is a welcome message: "Welcome to Advisor, JHU's degree audit system." The main content area is titled "Academic Goals" and features a "Tour" button. A goal is listed: "2017, MS, Electrical and Computer Engineering, General Option" with a "Declared" status and a lock icon. Below the goal are buttons for "Add", "Edit", and "Delete". At the bottom, there is a menu with options: "Template Manager", "Plan Manager", "Audit History", "Planning Mode", and "Create Audit".

2) Next, choose our school to apply the requirements:

Instructions: Below is a representation of your school's program requirements. To create an academic goal include. When the goal is complete, you will be able to save it.

There is not yet enough information to save the goal. Please complete selections below.

➤ Johns Hopkins University

Please complete selections below.

Arts and Sciences/Engineering Undergraduates

Carey Business School

KSAS - Advanced Academic Programs

School of Advanced International Studies

School of Education

School of Public Health

➤ WSE - Engineering for Professionals

At least 1 sub-requirement(s) required. Please select 1 more.

Engineering for Professionals
