

# Follett | Discover

Follett Discover is a powerful online tool that transforms the course materials discovery and adoption process for faculty and helps students obtain, organize and instantly access their required and recommended course materials from within your learning management system.

The purpose of this document is to give an overview on how to use and access some of the features within Follett Discover.

## Getting Started – Follett Discover

To access Follett Discover:

1. Simply click; <https://shibboleth-sp.betterknow.com/shibboleth-sp/jhu/fdredirect>
2. Sign-in with your JHED account; (JHED ID)@jh.edu
3. Adopt your course materials!  
(A quick tutorial will launch upon access.)

The screenshot shows the Follett Discover interface for a faculty member. The top navigation bar includes the Follett Discover logo, the user's name 'H. Instructor Instructor T.', and a 'Message Center' link. Below the navigation bar, there's a 'My Courses' section with a search bar and a 'Select Term' dropdown menu set to 'Spring 2019'. A 'Go' button is next to the search bar. Below the search bar, there are three course cards: 'Biology 3000', 'History 3000', and 'Mathematics 3000'. Each card has a 'Subject' input field and a 'Discover for this course' button. The 'Biology 3000' card's 'Subject' field is highlighted with a red box.

## Submitting Adoptions

Discovering course materials is easy with Follett Discover. Just type in your **Subject** to start discovering new materials.

You can also use the global search in the upper righthand corner to **find course materials & supplies by keyword, author, title or 13-digit ISBN (add 13-digit ISBN with NO DASHES)**.

**Select Term** allows you to select between past terms, current terms and future terms. If adoptions are open, you can start adopting for any future terms that are available here.

**Manage by Section** allows you to submit and manage adoptions by individual section instead of at the course level.

**Selecting the course header** allows you to manage your adoptions, discover materials, upload your own content and leave a message for your students within each specific course.

**Share** allows you to email a copy of your adopted materials.

## Viewing Course Materials

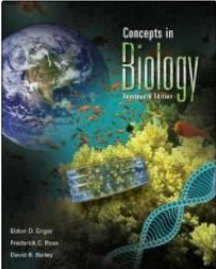

The course material details page displays information including the description, table of contents, lowest price available to your students and availability options such as rental or digital.

Scrolling down you will see neighboring institutions who have adopted this material, related items from this publisher, materials that other instructors adopted To adopt a material:

1. Select the material usage
2. Click **Adopt** to submit.

## My Library

You can use the library to quickly adopt titles you have adopted previously. Access your library from the My Library link on the main dashboard or the Copy button within your courses.

**Concepts in Biology (w/out Access Code)**

14 Edition, 2011 book

Format: Paper  
Author(s): Eldon D. Enger  
Publisher: McGraw-Hill

ISBN-13: 9780073403465  
ISBN-10: 0073403466

Description: "Enger/Ross/Bailey: Concepts in Biology" is a relatively brief introductory general biology text written for students with no previous science background. The authors strive to use the most accessible vocabulary and writing style possible while still maintaining scientific accuracy. The text covers all the main areas of study in biology from cells through ecosystems. Evolution and ecology coverage are combined in Part Four to emphasize the relationship between these two main subject areas. The new, 14th edition is the latest and most exciting revision of a respected introductory biology text written by authors who know how to reach students through engaging writing, interesting issues and applications, and accessible level. Instructors will appreciate the book's scientific accuracy, complete coverage and extensive supplement package. Users who purchase Connect Plus receive access to the full online ebook version of the textbook.

Manage Adoption for Multiple Courses ⓘ

To adopt multiple materials from your library:

1. Click the **Copy** button at the bottom of the page
2. Select all the materials you wish to adopt
3. Select the department and term
4. Select all the courses you want to adopt the materials for
5. Click the **Adopt Materials** button to submit.

**Tip:** Create shelves to organize your library by subject or topic.

## Manage Course Adoptions

Manage a course by selecting the course banner or the **View all Materials** link from the My Courses page. Within the course management screen, you can:

- Update the Discipline and Subject
- View the status of your adopted materials
- Remove adopted materials
- Adopt items from your library
- Create custom course packs
- Continue discovering additional materials
- Add instructions for your students
